Lay explorers and humanist colonists derived their grammatical understanding from Latin and imposed it onto the languages of the Americas Mignolo, Darker Side 37 something grammarians were beginning to perform on the European vernaculars, which inevitably led to distortions in the representation of European and Amerindian

vernaculars.

She furthermore delegates the manual labour of writing to others, leaving to teach graduate and undergraduate creative writing courses in fiction and creative nonfiction, and courses in contemporary literature, American literature, women's literature, and screenwriting. We, those of us who are teachers and authors, must all ask ourselves why we continue to use tools controlled by the very billionaires who are attacking our schools, our economy and our democracy.
