The place of supply for VAT purposes might be in Germany in the case of imports of small consignments, even if the supplier acts on behalf of the final customer. Several economists, most notably Paul Krugman, have developed theories of trade in which trade is not due to differences between countries, but instead due to "increasing returns to scale" - an economic term used to denote a technology in which producing extra units of a good becomes cheaper if you operate at a larger scale. Ils n'ont honte de rien. Tanya says:. Left 4 Dead is a first-person shooter in which the player takes control of one of four survivors; if human players are not available, then the remaining survivors are AI-controlled bots.
